10:15 The Stoic Salesman - what modern sales can learn from ancient perspectives

Sales professionals can benefit greatly from stoic principles that emphasise control over one's actions, resilience, learning from mistakes through self-reflection, emotional regulation, ethical behaviour, self-improvement, distancing from external validation and mindfulness.

But why are these ideas so alien to us in sales? Why do we have such unrealistic expectations of ourselves? And why do we leave no room for these thoughts or even their communication?

 PANEL
DISCUSSION

10:45 War for Talent

Sales teams also want to grow strongly in 2025. They are trying to attract and retain the best sales employees in the competitive talent market. Numerous approaches and procedures try to support managers in this process: Employer branding, tools or external service providers. What does it take to be successful in today's talent market?
